SAFILO USA, POLAROID RAINBOW COLLECTION. PLD 6003N

In a square, pilot and panthos shape in ROYGBV hues, these sunglasses for adults and kids feature Polaroid Ultrasight mirrored lenses with no distortion or glare. There are three unisex styles with the iconic Polaroid rainbow arc on the temple tip. **800.631.1188, safilo.com.**

GOTTI, GENUINE HORN COLLECTION. BLANCA

Produced from carefully selected horn sheets, these one-of-kind frames come in five models. The unisex, lightweight Bodo offers a round shape; Blanca's slight butterfly look blends smoothly with facial lines; and Bogart's powerful angles and rounded corners fit harmoniously on the face. **407.415.0778, gotti.ch.**

WESTGROUPE, KLIK. K-553

From the Slim Series comes two stainless steel models in oversized shapes and fun hues. The K-552 has an oversized eyeshape matched with a fresh two-tone palette of black/white, turquoise/fuchsia, cayenne/orange and purple/sage. The K-553 combines masculine neutrals with pops of color. **855.455.0042, westgroupe.com.**

ZYLOWARE, STETSON OFF ROAD. OR5049

Available in the extended fit size, the rugged, full-rimmed OR 5048 comes in a shiny gunmetal or stain brown, while the slimmer profile OR 5049 features a designed metal plaque on the temple for a touch of modern detailing. Both have integrated spring hinges and accommodate progressives. **800.765.3700, zyloware.com.**

THE MCGEE GROUP, VERA BRADLEY SUNWEAR. PAULETTE

Modern meets vintage for 10 fresh styles that include a glamorous cat eye, rounded eyeshape with keyhole bridges, rounded rectangle, aviators and an oversized square with Swarovski crystals. Models such as Rita and Izzy come with polarized lenses. **800.966.2020, mcgeegroup.com.**
