FOREVER IN STYLE

20/20 INSIGHT: In Aesop's fable *The Tortoise and the Hare*, the slow but determined tortoise wins the race and reigns supreme among his competitors. Whether it's the original blonde or brown tortoise or newly revamped colorful tortoises with pinks and blues, it's safe to say that tortoise is always a winner, especially when it comes to the perfect eyewear hue.

—Victoria Garcia

KLIHK DENMARK 596 *WestGroupe*

Featuring a subtle keyhole bridge and customized high quality five-barrel hinges, this P3-shaped frame is extremely lightweight and durable for a comfortable fit.

Pricing: \$\$\$
(855) 455-0042/westgroupe.com

LEON MAX 4049 *Zyloware*

With a combination of a modern CatEye shape and a traditional tortoise print, this feminine full-rim frame will complement any woman's wardrobe.

Pricing: \$\$\$
(844) 995-6226/zyloware.com

VERA WANG 505 *Kenmark Eyewear*

This feminine-oval shaped frame is constructed of rose tortoise zyl with thin metal temples inspired by runway styles for women in search of a dainty and elegant shape.

Pricing: \$\$\$
(800) 627-2898/kenmarkeyewear.com

FRANCIS DRAKE Isabella *Hands of Time Eyewear*

Crafted from Mazzucchelli zyl, this style is targeted for those in need of a specialized fit that allows for more room between the frame and cheekbones.

Pricing: \$\$
(855) 266-7250/handsoftimeeyewear.com

HARLEY DAVIDSON 0129T *Marcolin*

As part of the brand's tween eyewear collection, this modified rectangle shape features ribbed detailing on each temple for a sport-inspired design element.

Pricing: \$\$
(888) 537-9265/marcolin.com
