NEW FRAME PRODUCTS

## Feminine Finds

**20/20 INSIGHT:** This summer is all about fresh, feminine colorways when it comes to choosing an optical style. Whether you are searching for a frame that is classic or unique, we have you covered with our top selections from these newly released styles.

—Jillian Urcelay

KLIK DENMARK 697 WestGroupe

Design details on this women's style include tapered temples, a square silhouette for an architectural feel and beveling along the top rim that contrasts in a shiny finish.
