FEBRUARY 2021

NEW FRAME PRODUCTS

Statement Makers

20/20 INSIGHT: When it comes to fashion and accessorizing, women know how to make a statement. This month, we set our sights on our favorite sunwear and optical frames that allow her to make her mark and truly master her style.

KLIK DENMARK 685 WestGroupe

Reminiscent of the '70s, this titanium frame features an oversized softened square profile, color on and within the eye rim, and a minimalist design.
