INSPIRATION EYEGLASSES

## KEEP IT LIGHT

STYLES THAT WON'T WEIGH YOU DOWN

Less is most definitely more with these lightweight frames.  
**BY RACHEL BOZEK**

**1. LINE ART** Lyrical lines paired with the titanium alloy Excellence Titan work together to define the XL2156 from the Aris collection, which features a hand-applied Japanese coloring technique and adjustable nose pads. (800) 645-2121, charmant.com/us, \$387 | **2. LOOK** Made with Alumix, a combination of aluminum and magnesium, the 70643 from the Materika line features a textured surface reminiscent of fabric. (877) 889-0399, villeyewear.com, price upon request | **3. OGI EYEWEAR** Inspired by winter romps into ice-cold bodies of water, the Polar Plunge is a hand-painted combination frame made with milled metal and premium acetate. (888) 560-1060, ogiyeewear.com, \$240 | **4. MONOQOOL** With a 3D-printed frame front, the made-in-Denmark Drive DV has screwless hinges and a soft look. monoqool.com, starting at \$400 | **5. GANT** With a semi-rimless, flat, matte metal frame front and contrasting acetate temples, the GA3249 features the brand's logo on each temple and adjustable nose pads. (800) 345-8482, marcolin.com, \$60 | **6. J.F.REY** The nylon metal JF2974 makes a bold yet low-key statement with its minimalist, ultra-thin design. jfrey/len, \$520 | **7. KLIiK** With a square frame front, the monoblock stainless steel K-714 features a subtle, leafy design to celebrate the tropics regardless of the weather where you are. (855) 455-0042, westgroupe.com, \$247 | **8. SILHOUETTE** Drawing inspiration from the optical illusions that surround us, the Purist collection includes the 5581 with snap hinges and adjustable temples. (518) 272-5500, silhouette.com, \$450 | **9. DOLABANY EYEWEAR** Flexible and durable, Sardi is made with TR-90 and has remained a best-selling frame for more than a decade. (800) 688-7661, dolabanyeyewear.com, price upon request
